The Commission has introduced objective type tests in many of their Examination for which "Question Item Bank" in various discipline is maintained confidentially for utilization, in case any such need arises.

#### INSTALLATION OF THE INTELLIGENT CHARACTER RECOGNITION (ICR) BASED EXAMINATION AUTOMATION SYSTEM:

5.3 The Intelligent Character Recognition (ICR) based Examination Automation System of the Commission was inaugurated by Sri Tarun Gogoi, the then Hon'ble Chief Minister of Assam on 24<sup>th</sup> Feb. 2011.

This system automates every step of existing examination process right from processing of application to preparation of result sheet and places checks in every step to eliminate common errors.

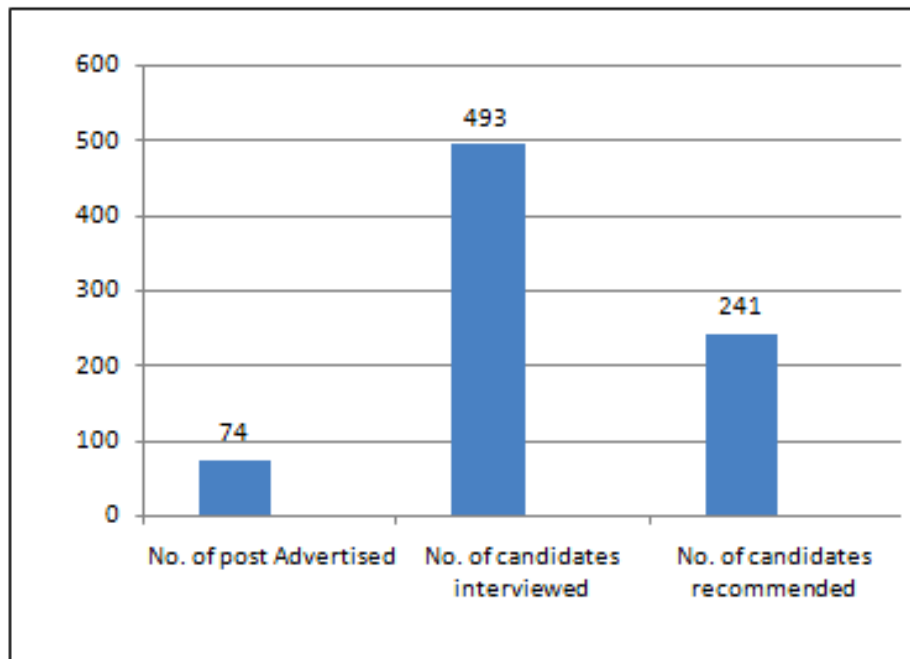

The system has the intelligence of verification and validation of each record with less human intervention, making it an error free unbiased process. Also the time taken by the system is much lesser than the manual processing.

**5.5 INTRODUCTION OF ONLINE SUBMISSION OF APPLICATION:** Assam Public Service Commission introduced the system of online submission of application forms for Combined Competitive (Prelim) Examination conducted by this Commission. ### **ESTABLISHMENT BRANCH AND ITS FUNCTIONS**

## CHAPTER – 6

### ESTABLISHMENT BRANCH

One of the major wings of the Commission is the Establishment Branch. The Establishment Branch deals with the general administration of the office, transfer, promotion, posting and other service matters of the staff etc. Appointment of staff in the office of the Commission is done by the Establishment Branch. ## **CHAPTER - 7**

### **RECRUITMENT BY EXAMINATION**

## CHAPTER-7

### RECRUITMENT BY WRITTEN EXAMINATION

#### A.GENERAL OBSERVATION ON THE METHOD OF RECRUITMENT THROUGH EXAMINATION:

The scheme and syllabi of various examinations for selection through written examination coupled with viva-voce test are governed by the provisions of respective Service Rules. However, it is observed that most of the Service Rules were framed long back and hence the scheme and syllabi contained therein are also outdated in comparison to the changing scenario in every walk of life. The present technological human mind is pushing forward new challenges in the sphere of good governance. The Commission feels that the age old schemes and syllabi of various examinations are required to be reviewed to cope with the new age necessities.

#### REVISION OF SCHEME AND SYLLABI FOR COMBINED COMPETITIVE EXAMINATION :

7.1 The Commission in conformity with its mooted objective decided in principle to carry on a continuing process to review the scheme and syllabi of Combined Competitive Examination (C.C. Exam). A major change in the Scheme & Syllabi of C.C. Exam. was brought last during 1989, as per the provision of Assam Public Services Combined Competitive Examination Rules, 1989. The Assam Public Service Commission will hold Combined Competitive Examination in two stages namely Preliminary Examination (meant to serve as a screening test only) and Main Examination comprising of written and interview for the selection of candidates for various services & posts in accordance with the rules and procedures prescribed.

Introduction of OMR (Optical Mark Readable) Answer Sheet in the Preliminary Exam. Of C.C. Exam. 2009 onwards is another step of the Commission to cope with the changing scenario. The Commission as contemplated to do away with the offline submission of application form in C.C. Prelim. Exam. introduced online submission of the same in C.C. Prelim. Exam. 2013 onwards, which would gradually be extended to cover other selections also including selections under Direct Recruitment by the Commission.

#### NEED FOR PROPER ASSESMENT OF VACANCIES:

7.2 The Commission observes that cases continue to occur where some of the departments did not intimate the actual number of vacancies meant for reserved categories for being included in the Commission's notice of the Examinations/Interviews for the information of the prospective candidates. As a result in respect of some of the Examinations/Interviews the number of such vacancies notified initially is to be modified/reviewed during the pendency of the selection creating hurdles in the process. The Commission feels that assessment of all vacancies including vacancies for reserved

categories should be made meticulously at the very initial exercise to avoid complicity in future.

## USE OF INDIAN LANGUAGE IN COMBINED COMPETITIVE (MAIN) EXAMINATION:

7.3 In the Combined Competitive (Main) Examination the candidates have to answer in the medium of English in all papers including General Studies

However, those candidates who opt to write in Assamese in Optional papers are also allowed to do so.

## EXAMINATION WING:

7.4 The conduct of various Competitive Examinations for selection to various services and posts being one of the principal activities of the Commission, great importance is attached to the quality, efficiency and reliability of the Examination process. This necessitates a constant monitoring of the Examination process, methodology and allied matters. To facilitate this, an Examination Confidential wing is in action in the Commission. The Commission maintains contact with other recruitment agencies, academic experts concerned with a view to keep abreast of the latest development in Assam and elsewhere in the field of Examination.

7.5 The Examination confidential wing has been instrumental in enabling the Commission to switch over smoothly from the conventional essay type to objective type papers with the introduction of OMR Answer Sheet to mark the responses in the Combined Competitive (Pre.) Examination etc. This has helped the Commission to cope with the phenomenal increase of the number of candidates in the aforesaid Examinations besides ensuring total objectivity in the evaluation process and timely declaration of results.
